ASPIRING WEB/SOFTWARE DEVELOPER

Goal-oriented Computer Engineer with months of experience in the Information Technology industry. Fueled by personal projects and self-learning in the MERN Stack web development, I am eager to learn while contributing to team projects and campaign goals.

WORK EXPERIENCE

Datamatics IT Helpdesk Intern

June 2024 - July 2024

- Configured Active Directory Services for user-client account management.
 - Managed whitelisting of campaign-specific websites for secure and compliant browsing.
-

PROJECTS

YOLOv8 License Plate Recognition WebApp (2026) (Vercel)

- Developed a live license plate detection and OCR app that runs entirely in the browser.
- TECH STACK: React/Vite, Tailwind CSS/DaisyUI, ONNX Runtime Web, Tesseract.js
- LINK: <https://licenseplaterecogwebapp.vercel.app>
- Lite version of Parking System with Artificial Intelligence
- processed 1,000+ frames in real-time with 85% accuracy

Parking System with Artificial Intelligence (2025) (Hostinger)

- Built a Bachelor Thesis system to read and audit vehicle license plates using AI.
- TECH STACK (Python): PyTorch, CUDA, EasyOCR, OpenCV, Ultralytics YOLOv8.
- LINK: <https://ursmparking.com>
- Implemented and Approved by University of Rizal System Morong Campus

Workout App (2025) (Render)

- Created a workout organizer app focused on MERN Stack and REST API utilization.
 - TECH STACK (**MERN**) : MongoDB - Express JS - React JS - Node JS
 - LINK: <https://mern-auth-app-hunt.onrender.com>
-

EDUCATION

Bachelor of Science in Computer Engineering

2020 - 2025

University of Rizal System Morong Campus

ADDITIONAL INFORMATION

- **Technical Skills:** Backend, Frontend and webpage deployment ready, Mongoose, PyTorch, EasyOCR/Tesseract, ONNX Runtime Web; willing to train in Java, C, C++, and other enterprise languages.
- **Programming Languages:** JavaScript, TypeScript, JSON structure, Node.js/Express.js, REST API Logic, Python
- **Markup and Stylesheet:** HTML/JXS (React)), Tailwind CSS, DaisyUI, HyperUI, ShadcnUI
- **Degree and Certifications:** Bachelor Degree in CpE, Datamatics Internship Certificate
